

Blue Bully

TIRED OF BREAKING ADAPTERS?

Cat. No. 2801

Most Durable Adapter Available!

7/16" Hex Adapter for 1/2" Sq. Drive Sockets

- Advanced Toughness & Wear Resistance
- Reduced Deformation
- Maximum Mechanical Properties

- Advanced Impact Resistant Technology
- Aerospace Quality/Engineered Shock Steel
- Increased Torque Yield Points

Black Widow Pole Bits

Our tests have indicated that this bit will outperform all other pole bits in speed and performance. Rugged heat treated bits with proprietary flute design, self-feeding screw and cutting spur, will cut through the hardest poles with ease and will decrease average drilling times by 50%.

Cat. No.	Bit Dia.	Length
2525	9/16"	18"
2523	11/16"	18"
2524	13/16 "	18"
2526	15/16"	18"
2527	11/16"	24"
2528	13/16"	24"
2529	15/16"	24"
2531	1-1/16"	24"

*Bits listed have 7/16" Hex Shanks; other sizes available

Cat. No. 9296

Pole Bit Holder

- Holds four pole bits up to 1" diameters and any length.
- Designed to mount in vehicles or on any vertical surface.
- Weather proof - will not rust.
